I am homeless and need help finding long-term housing.

ENTRY POINT

Entry Point (<https://myentrypoint.org/>) is a **centralized approach** that provides **linkage to supportive housing** in Suburban Cook County. This process is best started by calling the **Suburban Cook Call Center at (877) 426-6515** (same number as above). You can also try calling the following agency directly:

- **Housing Forward**

I need help finding affordable or subsidized housing.

- **Housing Authority of Cook County (HACC)**
 - This is the agency that manages subsidized housing in the Suburbs of Cook County. Unlike Chicago Housing Authority, HACC's waitlists may be closed, but check back in as they may open again and remain open for a few days at a time.
 - The best way to find out about these openings is to go to the HACC website (<https://thehacc.org/>) and sign up for email alerts (scroll to the bottom of the page and input your email).
- **Full Circle Communities**
 - Full Circle (<https://www.fccommunities.org/our-communities/>) operates many affordable housing developments throughout the following Chicago suburbs: Carol Stream, Elgin, Arlington Heights, Lake Zurich, McHenry, Richmond, and Lansing.
 - (312) 530-9600
 - Go to the website above to browse properties and then download and print applications for your preferred properties. Then mail the completed applications via USPS.

I am worried about affording my rent, threatened eviction, or I am having safety/health issues with my housing.
