

Lifeline is a federal program that provides a free mobile phone and monthly minutes/data to qualifying residents

What is provided? Qualifying residents can receive the following for free each month:

1. Unlimited talk and text
2. Unlimited data
3. Up to 10 GB of hotspot data

Qualifying residents can often use these benefits on an existing phone or can obtain a free smartphone (one-time only benefit). If you need a replacement phone, want to use your own, or just want to buy one, here are some phone tips for the Lifeline program:

1. Tracfone brand is recommended
 - Costs at Walmart:
 - Smart phone costs about \$35
 - Flip phone costs about \$20
2. Most phone brands will work as long as the phone has a SIM card
